

High Peak Orchestra has supported a wide range of local charities over the past years.

This year we are supporting Blythe House Hospice with a donation from each concert.

Blythe House Hospice adds quality to life by providing the highest levels of care for people affected by cancer and other life-limiting diseases, and supporting those who are bereaved

If you would like us to consider supporting a particular local charity in the future, please get in touch.

High Peak Orchestra is a registered charity:
No 1111150

High Peak Orchestra has been making music since 1975. We rehearse on Mondays at 8pm at the Mechanics Institute in Whaley Bridge. We are a friendly and welcoming orchestra and we'd love you to come and play with us, especially if you are a string or brass player.

We are very pleased to welcome and promote new talent from our locality as soloists in our concerts.
