

HIGH PEAK ORCHESTRA

Would you like to join your local orchestra?

The High Peak Orchestra plays classical music concerts in Buxton, New Mills and Chapel-en-le Frith, and rehearses on Monday evenings at 8.00 pm at the Mechanics Institute Whaley Bridge. We have a professional conductor and engage professional soloists.

We are a friendly group and would welcome new players, particularly strings and brass. No auditions are required; just make contact, come to some rehearsals and then see if you would like to become a member.

For further details please contact:

Roger Cooper, 60 Dovedale Crescent, Buxton, SK17 9BH
